Subject: REQUEST FOR REVIEW: Harbor Bridge Preliminary Draft Environmental Impact Statement

John – I spoke with Robby Snowbarger today, he stated that Paula would not have time to review NEPA projects. I told him that we will contact the Children's Health program in headquarters for projects that have obvious impacts to children, but for most project, we will use the general language.

Let me know if you feel that a project has direct and obvious impacts to children and specific comments are needed, then we will contact headquarters.

John,

I'm sorry to be so late in responding to your request. I cannot keep up with the emails I receive as I move into Children's Health Month, October—my busiest month of the year and I'm in the middle of planning our biggest event of the year, the Third Annual Children's Health Fall Festival just two weeks away.

By now, I think Robby Snowbarger will have contacted you and Rhonda. It is my hope that the children's health language can be included in the DEIS as we discussed. As far as my ability to review these documents, I have to take a step back. The amount of requests from the NEPA team for my time to review was substantial. I could not do both NEPA reviews and handle the full load I am currently managing, coordinating with all programs across the region on CEH issues.

NEPA and CEH coordination continues to be a priority for our programs and I do want to stay informed. Also, I actually enjoyed reading about the Harbor Bridge and Cattle Tick Barrier projects. Moving forward, if there are specific questions about children's health I can answer, please let me know how I can assist with specific issues.

Paula Selzer
Regional Coordinator, Children's Environmental Health
U.S. Environmental Protection Agency, Region 6

Subject: REQUEST FOR REVIEW: Harbor Bridge Preliminary Draft Environmental Impact Statement

REQUEST FOR ASSOCIATE REVIEW AND COMMENT PURSUANT TO RESPONSIBILITIES UNDER SECTION 309 OF THE CLEAN AIR ACT AND THE NATIONAL ENVIRONMENTAL POLICY ACT (NEPA) ON THE SUBJECT PRELIMINARY DRAFT ENVIRONMENTAL IMPACT STATEMENT (PDEIS) FOR THE HARBOR BRIDGE PROJECT (US 181 FROM BEACH AVE TO MORGAN AVE AT THE CROSSTOWN EXPY (SH 286), CORPUS CHRISTI, TX

As a cooperating agency with TxDOT and FHWA on this project, EPA has agreed to review the PDEIS. As such, the subject PDEIS has been forwarded for you and/or designated staff to review and to provide comments in your areas of jurisdiction and expertise. To accommodate the established review schedule, we are requesting comments by **COB, Monday, October 7, 2013**. All project related documents are available on the Environmental Science Connector (ESC) under the folder "Prelim DEIS"; use your LAN login and password to access the ESC. <https://ssoprod.epa.gov/sso/jsp/obloginESCNew.jsp>

I have 4 DVDs and 1 hard copy for distribution. Please call me at the number listed below or e-mail me for assistance.

If review of this document cannot be completed due to resource limitations, please e-mail me or Rhonda Smith as soon as possible.

Thank you,

John MacFarlane
